Stanley "Lee" Kurisko, MD

Shakopee, MN
952-270-2354
eMail: lkurisko@mac.com
Biolink: link to come

Board Certified Radiology;
Canadian physician living and working in the United States for the last 18 years.
For the first 13 years of his career, he worked in Canada's system of government run healthcare both as a family physician and as a specialist in Diagnostic Imaging.
He has deep insight as to why a "Medicare For All" approach is the wrong answer for the challenges faced the United States health care system. He advocates pro free market reforms such as enhancing direct cash transactions for health care without the intrusions of third parties, true insurance rather than prepaid medical care and enhanced incentives for charitable care.
He is author of *Health Reform – The End of the American Revolution?*

Katarina Lindley DO FACOFP

Brock, Texas
